Public Relations

4100

The District shall strive to maintain effective two-way communication channels with the public. Such channels shall enable the Board and staff to interpret the schools' needs to the community and provide a means for citizens to express their needs and expectations to the Board and staff.

The Superintendent shall establish and maintain a communication process within the school system and between it and the community. Such a public information program shall provide for news releases at appropriate times, arrange for news media coverage of District programs and events, provide for regular direct communications between individual schools and the citizens they serve, and assist staff in improving their skill and understanding in communicating with the public.

Community opinion may be solicited through parent organizations, parent-teacher conferences, open houses and other such events or activities which may bring staff and citizens together.

The Board will listen to the public but, at the same time, expects the public to listen and speak only when properly recognized.

At each regular and special meeting of the Board the agenda may provide time for public comment before the Board. Persons wishing to address the Board will be required to submit a “Request to Address the Board” form. Forms are available from the Board Clerk and will be available at each meeting.

Total time allotted for public comment will not exceed 30 minutes. Public participation will be limited to the time allotted on the agenda. Each speaker will be limited to 3 minutes. Public comment will be taken on matters scheduled on the agenda. Should a large number of the public wish to speak on the same issue or topic, members of the public are encouraged to select one or more representatives to summarize their position. Additionally, the Board clerk will accept written comments for distribution to the Board. The Board may decline to hear repetitive comments. The Chair may also deny an individual the opportunity to address the Board if the individual has previously addressed the Board on the same subject within the past two months.

Written materials for Board Members must be submitted to the Board Clerk. The written material must include the name, address, and telephone number of the person submitting it. A copy of the materials that meet these requirements will be forwarded to Board Members if received by noon the Friday preceding the Board meeting. REQUEST TO ADDRESS THE BOARD

NOTICE

DUE TO THEIR SENSITIVE NATURE, COMMENTS AND COMPLAINTS ABOUT PERSONNEL OR INDIVIDUAL STUDENTS CANNOT BE HEARD IN OPEN SESSION. ADDITIONALLY, OTHER TOPICS DESCRIBED IN POLICY 1500 MAY ONLY BE APPROPRIATE FOR EXECUTIVE SESSION. IN SUCH INSTANCES, THE BOARD WILL DETERMINE IF YOUR COMMENTS ARE APPROPRIATE FOR OPEN OR EXECUTIVE SESSION AND WILL NOTIFY YOU ACCORDINGLY. THOSE ADDRESSING THE BOARD ARE EXPECTED TO ABIDE BY THE RULES LISTED IN THIS FORM. ANY PERSON MAY BE REMOVED FROM A BOARD MEETING IF THEY WILLFULLY DISRUPT THE MEETING TO THE EXTENT THAT ORDERLY CONDUCT IS, IN THE DETERMINATION OF THE BOARD CHAIR, SERIOUSLY COMPROMISED. ANY PERSON OTHERWISE ENGAGED IN ILLEGAL CONDUCT AT THE MEETING MAY ALSO BE REMOVED.

During all regular meetings and Board public hearings, The Board of Trustees encourages all citizens of the District to express their ideas and concerns on agenda items. Public input on agenda items shall not be on any subject matter that would compel the Board to enter into executive session. The Board shall make a determination as to whether or not the subject matter a community member requests to comment on is appropriate in relation to the Board's agenda and/or if a matter would require Executive Session.

Any complaint about the District, including instruction, discipline, District personnel policy, procedure, or curriculum, should be referred through proper administrative channels before it is presented to the Board. All complaints should be resolved through proper channels in the following order, and all channels must be exhausted before the Board may entertain the complaint:

1. Teacher or Staff

COMMUNITY RELATIONS

Public Participation in Board Meeting

4105

All regular and special meetings of the Board shall be open to the public, but any person who disturbs good order may be required to leave.

During all regular meetings and board public hearings, The Board of Trustees encourages all citizens of the District to express their ideas and concerns on agenda items. The comments of the community will be given careful consideration. In the evaluation of such comments, the first priority will be District students and their educational program. Desired public input on agenda items shall not be regarding any subject matter that would compel the Board to enter into executive session. The Board shall make a determination as to whether or not the desired subject matter requested for public input is appropriate in relation to the Board's agenda and/or if a matter would require executive session.

The Board may offer the ability to attend their meeting remotely, including the ability to submit patron input electronically ahead of time at a time and in a manner identified by the Board. Such electronically provided input shall be provided to the Trustees and made a part of the minutes.

Addressing Complaints and Grievances

Due to their sensitive nature, comments and complaints about personnel or individual students cannot be heard in open session. Additionally, other topics described in Policy 1500 may only be appropriate for executive session and all grievance processes shall be followed before the Board may entertain such subject matter. The Board shall determine whether a public comment is appropriate in open session and notify the commentor if it is not.

Any complaint about the District on these or other topics; including instruction, discipline, District personnel policy, procedure, or curriculum; should be referred through proper administrative channels before it is presented to the Board for consideration and action. All complaints should be resolved through proper channels in the following order:

1. Teacher or staff;
2. Principal or supervisor;
3. Director or administrator;
4. Superintendent; then
5. Board of Trustees.

Please also see District Policy No. 4110 Public Complaints and Suggestions.

Complaints or grievances on topics that may only be considered in executive session will only be heard by the Board in accordance with the applicable grievance or complaint policy. Such executive session may be arranged in advance and included on the agenda as described in Policy 1500 and

Procedure 1500P.

Rules and Process for Public Comment

Members of the public will not be recognized by the Chair as the Board conducts its official business except during the Board's scheduled comment period during a regular meeting or public hearing of the board, and only on subject matters identified on the Board's agenda. The Board will listen to the public but, at the same time, expects the public to listen and speak only when properly recognized.

At each regular meeting of the Board the agenda shall provide time for public comment before the Board on agenda items or at public hearings of the Board. At special meetings of the Board, the Board may accept public comment. All public comment will be accepted before the Board addresses action items on District business, including items in a consent agenda. Persons wishing to address the Board at a regular meeting or public hearing on agenda items will be required to submit a "Request to Address the Board" form. Forms are available from the Board Clerk and will be available at each meeting.

The Board shall ensure that members of the following groups, listed in no particular order, are given priority to participate in Board meetings:

1. Students who attend a District school;
2. Parents/guardians of such students;
3. District employees; and
4. People who reside within the District.

Attendees who do not belong to any of these groups will only be allowed to speak after members of the groups listed above have provided comment and only if there is still time available within the public comment period.

To be efficient and effective, long board meetings will be avoided. As such, total time allotted for public comment will not exceed 30 minutes. Public participation will be limited to the time allotted on the agenda. Each speaker will be limited to 3 minutes. Public comment will only be taken on action items scheduled on the Board's agenda at a regular meeting of the Board or during a Board public hearing. Should a large number of members of the public wish to speak on the same issue or topic, members of the public are encouraged to select one or more representatives to summarize their position. Additionally, the Board clerk will accept written comments on agenda items for regular meetings and Board public hearings for distribution to the Board. The Board may decline to hear repetitive comments.

Written comments for Trustees must be submitted to the Board Clerk. The written comments must include the name, address, and telephone number of the person submitting it. A copy of the materials that meet these requirements will be forwarded to Trustees if received by 5:00 pm the Monday preceding the Board meeting. Materials should not be sent directly to Trustees. Materials may be presented or mailed to the Board clerk at PO Box 7, Avery, Idaho 83802, or emailed to the Board clerk at averyschool@sd394.com.

If a topic is being considered by a committee established for that purpose, the Chair may refer the public comment to that committee.

Adopted 9/2024

Because of the diversity of issues and the confines of the Open Meeting Laws, Trustees will not respond to public comment nor engage in discussion with individuals or entities presenting public input. Instead, issues may be recorded and referred to the proper staff person for follow-up and/or considered by the Board in addressing the pending agenda items through open discussion or voting. The Chair may interrupt or terminate an individual's statement when it is too lengthy, abusive, obscene, repetitive, irrelevant, threatening to any individual, or if they are going off-topic from an item listed on the agenda. The Board as a whole shall have the final decision in determining the appropriateness of all such rulings.

Nothing in this policy shall prohibit the removal of any person who, in the judgement of the Board Chair, willfully disrupts a meeting to the extent that orderly conduct is seriously compromised. Defamatory or abusive remarks are always out of order, and any person may be removed from the meeting if they are engaging in illegal conduct. The presiding officer may terminate the speaker's privilege of address if, after being called to order, the speaker persists in improper conduct or remarks.

If a special meeting has been held to obtain public comment on a specific issue, the Chair of the Board may choose not to recognize speakers wishing to comment on the same topic at a regular meeting of the Board.

The Board is interested in receiving valid complaints and suggestions. Public complaints and suggestions shall be submitted according to the Uniform Grievance Procedure to the appropriate-level staff member or District administrator. Each complaint or suggestion shall be considered on its merits.

Unless otherwise indicated in these policies or otherwise provided for by law, no appeal may be taken from any decision of the Board.

Uniform Grievance Procedure

4120

It is the Board's desire that administrative procedures for settling complaints and grievances of any and all persons (i.e., staff, students, patrons, hereinafter "Grievant") be an orderly process within which solutions may be pursued. Further, that the procedure provide prompt and equitable resolution at the lowest possible administrative level. Additionally, it is the Board's desire that each grievant be assured an opportunity for orderly presentation and review of complaints without fear of reprisal.

Grievance Procedure

This grievance procedure should be followed if a grievant believes that the Board, its employees or agents have violated the grievant's rights guaranteed by the State or federal constitutions, State or federal statutes, or Board policy.

The District will endeavor to respond to and resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies, and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies.

Level 1: Informal: A grievant with a complaint is encouraged to first discuss it with the teacher, counselor, or building administrator involved, with the objective of resolving the matter promptly and informally. An exception is that complaints of sexual harassment should be discussed with the first line administrator that is not involved in the alleged harassment.

Level 2: Principal: If the complaint is not resolved at Level 1, the grievant may file a written grievance stating:

1. The nature of the grievance; and
2. The remedy requested.

It must be signed and dated by the grievant. The Level 2 written grievance must be filed with the principal within 60 days of the event or incident, or from the date the grievant could reasonably become aware of such occurrence.

If the complaint alleges a violation of Board policy or procedure, the principal shall investigate and attempt to resolve the complaint. If either party is not satisfied with the principal's decision, the grievance may be advanced to Level 3 by requesting in writing that the Superintendent review the principal's decision. This request must be submitted to the Superintendent within 15 days of the principal's decision.

If the complaint alleges a violation of Title IX, Title II, Section 504 of the Rehabilitation Act, or sexual harassment, the principal shall turn the complaint over to the Nondiscrimination Coordinator who shall investigate the complaint. The District has appointed Nondiscrimination Coordinators to assist in the handling of discrimination complaints. The Coordinator will complete the investigation and file the report with the Superintendent within 30 days after receipt of the written grievance. The Coordinator may hire an outside investigator if necessary. If the Superintendent agrees with the recommendation of the Coordinator, the recommendation will be implemented. If the Superintendent rejects the recommendation of the Coordinator, and/or either party is not satisfied with the recommendations from Level 2, either party may make a written appeal within 15 days of receiving the report of the Coordinator to the Board for a hearing.

Level 3: Superintendent: Upon receipt of the request for review, the Superintendent shall schedule a meeting between the parties and the principal. The parties shall be afforded the opportunity to either dispute or concur with the principal's report. The Superintendent shall decide the matter within ten days of the meeting and shall notify the parties in writing of the decision. If the Superintendent agrees with the recommendation of the principal, the recommendation will be implemented. If the Superintendent rejects the recommendation of the principal, the matter may either be referred to an outside investigator for further review or resolved by the Superintendent.

If either party is not satisfied with the decision of the Superintendent, the Board is the next avenue for appeal. A written appeal must be submitted to the Board within 15 days of receiving the Superintendent's decision. The Board is the policy-making body of the school, however, and appeals to that level must be based solely on whether or not policy has been followed. Any individual appealing a decision of the Superintendent to the Board bears the burden of proving a failure to follow Board policy.

Level 4: The Board: Upon receipt of a written appeal of the decision of the Superintendent, and assuming the individual alleges a failure to follow Board policy, the matter shall be placed on the agenda of the Board for consideration not later than their next regularly scheduled meeting. A decision shall be made and reported in writing to all parties within 30 days of that meeting. The decision of the Board will be final.

Facility Use Applications

Applications requesting use of the school facility must be presented to the building principal at least ten days in advance of the time desired and must be signed by a qualified representative of the organization desiring to use the building.

When considering facility use applications, the following should be taken into consideration:

1. The activity should not interfere with the schedule of normal activities of the school or District; and
2. The content of the activity should be reasonably appropriate in a school setting.

The renting of school facilities will ordinarily be on a first-come-first-serve basis for eligible organizations, except that school-related activities shall have priority.

Right of Refusal

The use of the school premises will be denied when, in the opinion of the Superintendent or the Board, such use may be construed to be solely for commercial purposes, when there is probability of damage or injury to school property, or when the activity is deemed to be improper to hold in school buildings.

Fees

The Superintendent, or designee, shall establish a schedule of fees and make additional adjustments in the fees as necessary for the use of any school facility or school grounds. Fees/rental charges shall cover costs of wages of school personnel involved and utilities. The Board will review this fee schedule annually. Fees may be waived by the Superintendent or designee in consideration of services rendered by public institutions or nonprofit organizations in direct support of public school students or staff.

Fees will be invoiced and the sponsoring organization whose name appears on the application shall be held responsible for any and all damages to school property and equipment.

Insurance Coverage

The Board may require facility users to carry a commercial general liability insurance policy with a minimum limit per occurrence of \$1,000,000. A Certificate of Insurance for the policy, naming the Avery School District as an additional insured, may also be required along

with the facility use request. The Board reserves the right to require increased insurance coverage on any event.

School Equipment

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted by the procedure by which permission to use facilities is granted. The user of school equipment must accept liability for any damage to or loss of such equipment that occurs while it is in use. Where rules so specify, no item of equipment may be used except by a qualified operator. No District equipment shall be removed from the premises for use by non-District personnel unless otherwise provided for in policy.

Supervision

At least one District employee must be on hand, paid for by the organization when, in the opinion of the Superintendent or designee, it is necessary to supervise the individuals and protect school property. The number of paid employees shall depend on the type of service, number to be served, and number of volunteer helpers.

Whenever a cafeteria is used, it shall be under the supervision of a school employee. The group using the facility shall reimburse the District for the salary of the employee.

No school building or facility shall be used for any purpose which could result in picketing, rioting, disturbing the peace, or damage to property or for any purpose prohibited by law.

No access to other rooms or equipment in the building shall be permitted unless designated by agreement.

Outdoor Facility Usage

The following applies to all District outdoor facility rentals:

1. The rental group shall be responsible for the full replacement cost of any facility or equipment damage.
2. Arrangements for keys for any rented facility must be made prior to the event by contacting the Athletic Director.
3. The procedure for cancellation of outdoor events due to threatening weather and/or field conditions is as follows:
 - A. If field conditions are such that play is not recommended, the athletic director shall notify the rental group as far in advance as possible that contests must be cancelled. Practice field rental will be substituted, if possible; and
 - B. If there is rain the day of the scheduled contests, the game field rental is considered cancelled and game fields are not to be used. Questions can be

answered by calling the athletic director, high school principal, or Superintendent (in that order).

4. All equipment items the rental group desires must be listed on the rental agreement.
5. Requests for night rentals will be reviewed on a case-by-case basis.

Records Available to Public

4260

Subject to the limitations provided herein, and as provided by law, full access to public records concerning the administration and operations of the District shall be afforded to the public. Public access to District records shall be afforded according to appropriate administrative procedures.

Every person has the right to examine and take a copy of any public record at all reasonable times. All District records except those restricted by State and federal law shall be made available to citizens upon written request for inspection at the Clerk's office.

The Superintendent shall serve, or designate someone to serve, as "Public Records Coordinator" with the responsibility and authority for ensuring compliance with the display, indexing, availability, inspection, retention, and copying requirements of federal law, State law, and this policy. Responsibility and authority for indexing shall include identifying the general subject matter of all public records kept or maintained by the District, the custodian of these records, and their physical location. The identified physical location of the District's records is provided in the Retention of District Records Policy. The Public Records Coordinator shall authorize the inspection and copying of the District's records only in accordance with the criteria set forth in this policy and in compliance with State and federal laws.

A written copy of the Board's minutes shall be available to the general public within a reasonable time after the meeting in which they are approved. Drafts of the Board's minutes are considered to be public records and shall be produced upon request. However, the District shall watermark such public records with the statement "Unofficial Draft Minutes not yet reviewed or approved by Board."

Definitions

A "public record" includes, but is not limited to, any writing containing information relating to the conduct or administration of the public's business prepared, owned, used, or retained by any State agency, independent public body corporate and politic, or local agency regardless of physical form or characteristics.

A "writing" includes, but is not limited to, handwriting, typewriting, printing, photocopying, photographing, and every means of recording, including letters, words, pictures, sounds or symbols, or combination thereof; and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums, or other documents.

Records Exempt from Disclosure

In accordance with Idaho Code, the following records shall NOT be subject to public inspection or copying:

1. Any public record exempt from disclosure by federal or State law or federal regulations to the extent specifically provided for by such law or regulation.
2. Retired employees' and retired public officials' home addresses, home telephone numbers, and other financial and non-financial membership records.
3. Records of a current or former employee other than the employee's duration of employment with the District, position held, and location of employment. This exemption from disclosure does not include the contracts of employment or any remuneration, including reimbursement of expenses. However, all other personnel information relating to a public employee or applicant including, but not limited to, information regarding sex, race, marital status, birth date, home address and telephone number, net pay, applications, testing and scoring materials, grievances, correspondence, and performance evaluations shall not be disclosed to the public without the employee's or applicant's written consent.
4. Records relating to the appraisal of real property, timber, or mineral rights prior to its acquisition, sale, or lease by the District.
5. Any estimate prepared by the District that details the cost of a public project until such time as disclosed, or bids are opened, or upon award of the contract for construction of the public project.
6. Records of any risk retention or self-insurance program prepared in anticipation of litigation, or for analysis of, or settlement of potential or actual money damage claims against the District or its employees except as otherwise discoverable under the Idaho or federal rules of civil procedure. These records shall include but are not limited to claims evaluations, investigatory records, computerized reports of losses, case reserves, internal documents, and correspondence relating thereto. At the time any claim is concluded, only statistical data and actual amounts paid in settlement from public funds shall be deemed a public record unless otherwise ordered to be sealed by a court of competent jurisdiction. Provided however, nothing in this subsection is intended to limit the attorney client privilege or attorney work product privilege otherwise available to any public agency or independent public body corporate and politic.
7. Computer programs developed or purchased by or for the District for its own use. As used in this subsection, "computer program" means a series of instructions or statements which permit the functioning of a computer system in a manner designed to provide storage, retrieval, and manipulation of data from the computer system, and any associated documentation and source material that explain how to operate the computer program. This does not include:

- A. The original data including but not limited to numbers, text, voice, graphics, and images;
 - B. Analysis, compilation, and other manipulated forms of the original data produced by use of the program; or
 - C. The mathematical or statistical formulas that would be used if the manipulated forms of the original data were to be produced manually.
8. Personal information from any file maintained for students. Information from student records shall be disclosed only in accordance with the requirements of the Family Educational Rights and Privacy Act, Idaho Code, and adopted District policy.
 9. Test questions, scoring keys, or other examination data used to administer academic tests.
 10. Records relevant to a controversy to which the District is a party, but which records would not be available to another party under the rules of pretrial discovery for cases pending resolution.
 11. Records of buildings, facilities, infrastructures, and systems when the disclosure of such information would jeopardize the safety of persons or the public safety. Such records may include emergency evacuation, escape, or other emergency response plans; vulnerability assessments; operation and security manuals; plans; blueprints; or security codes.

However, all personnel records of a current or former public official reflecting public service or employment history, classification, pay grade and step, longevity, gross salary and salary history, status, workplace, and employing agency are subject to public inspection and copying.

If the record requested for inspection and/or copying contains both information exempted from disclosure and nonexempt information, the District shall, to the extent practicable, produce the record with the exempt portion deleted and shall provide a written explanation for the deletion.

Response to Requests

The District shall require that a public records request be submitted in writing upon a form prescribed by the District with the requester's name, mailing address, email address, and telephone number. A request for public records may be conducted by electronic mail. The District may provide the requester information to help the requester narrow the scope of the request or to help the requester make the request more specific when the records requested are voluminous or costly.

The District shall either grant or deny a person's request to examine or copy public records within three working days of the date of the receipt of a request for public records. If a longer period of time is needed to locate or retrieve the records, the District shall notify the person requesting the records of the same and provide the records to such person not later than ten working days following the request. In the event an individual requests a record be provided in

electronic format, the District shall provide the record in electronic format if the record is available in that format. If a record is requested in electronic format and the record cannot easily be converted to electronic format within ten working days, the District shall notify the person requesting the records of this fact and provide them with an estimate of the time necessary to complete the conversion. The documents shall then be provided at a time mutually agreeable to the parties giving consideration to any limitations that may exist regarding electronic conversion.

If the District fails to respond, the request shall be deemed to be denied within ten working days following the request. If the District denies the request for examination or copying the public records or denies in part and grants in part the request for examination and copying of the public records, the Public Records Coordinator shall notify the person in writing of the denial or partial denial of the request for the public record. The notice of denial or partial denial shall state that the attorney for the District has reviewed the request or shall state that the District has had an opportunity to consult with an attorney regarding the request for examination or copying of a record and has chosen not to do so. The notice of denial or partial denial also shall indicate the statutory authority for the denial and indicate clearly the right to appeal the denial or partial denial and the time periods for doing so.

The Public Records Coordinator is authorized to seek an injunction to prevent the disclosure of records otherwise suitable for disclosure when it is determined that there is reasonable cause to believe that the disclosure would not be in the public interest and would substantially or irreparably damage any person or would substantially or irreparably damage vital governmental functions.

Fee Waiver

The District will adhere to its copying fee schedule unless it is determined by the Public Records Coordinator that the individual making such a request has demonstrated information sufficient to fulfill the following test:

1. That the requester's examination and/or copying of public records is likely to contribute significantly to the public's understanding of the operations and activities of the government;
2. That the requester's examination and/or copying of public records is not primarily in the individual interest of the requester including, but not limited to, the requester's interest in litigation in which the requester is or may become a party; and
3. That the requester's examination and/or copying of public records will not occur if fees are charged because the requester has insufficient financial resources to pay such fees.

Upon a request that fees not be charged, and the Public Records Coordinator's consideration of the above factors, the Public Records Coordinator shall notify the requester in writing of their decision within ten working days following the request.

If the fee waiver is denied, the requester shall then have seven days to file an appeal of the denial with the Superintendent. The Superintendent shall review the denial and either affirm or reverse the denial of the Public Records Coordinator in writing within ten working days of receipt of the appeal. In the event that the Superintendent is the Public Records Coordinator then the appeal shall be filed within seven days with the Board. At the Board's next regularly scheduled meeting, the Board shall review the denial of fee waiver and either affirm or reverse it. There shall be no further appeal beyond the Board.

The request shall not be fulfilled or prepared, and the time for response will not begin to run, until such time as the final determination as to fees has been addressed and any fees to be charged have been paid.

A requester may not file multiple requests for public records solely to avoid payment of fees. If the District suspects that this is the case, it can aggregate the related requests and charge based upon its copying fee schedule.

Fee Schedule

The copying fee schedule of the District is as follows:

1. The District shall not charge a fee for the first 100 pages of records or the first two hours of labor in responding to a request.
2. Copies of public records - 5¢ per page for copies beyond the first 100 pages or beyond the first two hours of labor in responding to a request.
3. The District will charge for the labor costs associated with locating and copying documents if:
 - A. The request is for more than 100 pages of records;
 - B. The request includes nonpublic information that must be redacted from the public records; or
 - C. The labor associated with locating and copying the records exceeds two hours.
4. The fees for labor associated with responding to a public records request shall be charged at the per hour pay rate of the lowest-paid administrative staff employee of the District who is necessary and qualified to process the request.
5. The fees associated with redactions required to be made by an attorney employed by the District shall be charged at the lowest-paid hourly rate of the lowest paid attorney employed by the District or, if there are no attorneys employed by the District, the rate shall be no more than the usual and customary rate of the attorney retained by the District.
6. Copy of a duplicate computer disc or similar record system the fee shall not exceed:

- A. The District's cost of copying the information in that form;
- B. The District's cost of conversion, or the cost of conversion charged by a third party, if the electronic record must be converted to electronic form.

Fees shall be collected in advance. The District shall provide requesters with an itemized statement of fees to show the per page costs for copies and the hourly rate of employees and attorneys involved in responding to the request.

Relations with the Law Enforcement and Child Protective Agencies

The primary responsibility for maintaining proper order and conduct in the schools belongs to the staff. Staff shall be responsible for holding students accountable for infractions of school rules, which may include minor violations of the law occurring during school hours or at school activities. Where there is substantial threat to the health and safety of students or others, such as in the case of bomb threats, mass demonstrations with threat of violence, individual threats of substantial bodily harm, trafficking in prohibited drugs, or the scheduling of events where large crowds may be difficult to handle, the law enforcement agency shall be called upon for assistance. Information regarding major violations of the law shall be communicated to the appropriate law enforcement agency.

The District shall strive to develop and maintain cooperative working relationships with the law enforcement agencies. Investigations and Arrests by Police

All contact between the school and the police department on matters involving students shall be made through the administrative office. The police have ample opportunity to talk to a student away from the school and before or after school hours. They should be encouraged to do so. Law enforcement authorities should only be allowed to conduct an interview in the school if they can show that special circumstances exist or if the interview is at the request of the school. This determination should be made by the principal or Superintendent.

1. If the police have a warrant for the student's arrest, they must be permitted to arrest the student; however, whenever possible, the arrest should be conducted in the principal's office out of view of other students. Before removing a student from school, the police shall sign a release form in which they assume full responsibility for the student;
2. Law enforcement personnel should not be allowed to roam about the school until the student is found. They should remain in the administration office while school personnel seek out the student;
3. If possible, the educational program of the student should not be disrupted to allow for police questioning;
4. Any questioning by police should be conducted in a private room or area where confidentiality can be maintained;
5. If law enforcement officials are to be allowed to question a student under the age of 18, a reasonable attempt shall be made to notify the parents, except in cases of suspected child abuse or child neglect involving the parent. The parents should be given the opportunity to come to the school prior to the questioning; and
6. If the parents are notified and are able to attend, they should be allowed to be present at the interview. The administrator should be present at the interview, but should not take part in any questioning. The administrator should at all times remain a neutral observer.

Sex Offenders

The Avery School District recognizes the danger sex offenders pose to student safety. Therefore, in an effort to protect students while under the control and supervision of the District, the District is implementing this policy.

Visitors to and Conduct on School Property

For purposes of this policy, “school property” means school buildings, District buildings not being used as a school, vehicles used for school purposes, any location being utilized during a school athletic event or other school-sponsored event, properties posted with a notice that they are used by a school, and school grounds.

Visitors are welcome on school property provided their presence will not be disruptive. All visitors, including parents of students (unless otherwise exempted), must initially report to the building principal’s office. Any person wishing to confer with a staff member must contact that staff member by telephone to make an appointment. Conferences with teachers are held outside school hours or during the teacher’s conference/preparation period.

The District expects mutual respect, civility, and orderly conduct among all individuals on school property or at a school event. No person on school property or at a school event shall:

1. Injure, threaten, harass, or intimidate a staff member, a School Board Member, sports official or coach, or any other person;
2. Damage or threaten to damage another’s property;
3. Damage or deface District property;
4. Violate any Idaho law, or town or county ordinance;
5. Smoke or otherwise use tobacco products;
6. Consume, possess, distribute, or be under the influence of alcoholic beverages or illegal drugs, or possess dangerous devices or weapons;
7. Impede, delay, disrupt, or otherwise interfere with any school activity or function, including using cellular phones in a disruptive manner;
8. Enter upon any portion of school premises at any time for purposes other than those that are lawful and authorized by the School Board;
9. Operate a motor vehicle:
 - A. In a risky manner;
 - B. In excess of 20 miles per hour; or
 - C. In violation of an authorized District employee’s directive;
10. Engage in any risky behavior, including rollerblading, roller skating, or skateboarding; or

11. Violate other District policies or regulations, or an authorized District employee's directive.

Convicted Sex Offender

State law prohibits a person who is currently registered or is required to register under the sex offender registration act to:

1. Be on or remain on the premises of a school building or school grounds, or upon other properties posted with a notice that they are used by a school, when the person believes children under the age of 18 years are present and are involved in a school activity or when children are present within 30 minutes before or after a school activity;
2. Loiter on a public way within 500 feet of the property line of school grounds or a school building when children under the age of 18 years are present;
3. Be in any vehicle owned, leased, or contracted by a school to transport students to or from school or school-related activities when children under the age of 18 years are present in the vehicle; or
4. Reside within 500 feet of a school, measured from the nearest point of the exterior wall of the offenders' dwelling unit to the school's property line, unless the person's residence was established prior to July 1, 2006.

All notices posted as required by Idaho Code, shall be at least 100 square inches, make reference to I.C. § 18-8329, include the term "registered sex offender" and be placed at commonly used entrances to the property. In addition, there shall be at least one notice posted every 660 feet along the property line.

Sample Posted Notice

"This property is used by or as a school. Pursuant to I.C. § 18-8329, registered sex offenders only have limited rights to enter upon or be near school property. Please contact the school district a 245-2479 or your probation/parole officer for more information."

Provided, however, section numbers 1 and 2 immediately above shall not apply when the person:

1. Is a student in attendance at the school; or
2. Resides at a State licensed or certified facility for incarceration, health care, or convalescent care; or
3. Is exercising his or her right to vote in public elections;
4. Is taking delivery of his or her mail through an official post office located on school grounds;
5. Has contacted the District Office annually to obtain written permission from the District to be on the school grounds or upon other property posted with a notice that the property is used by a school; or

6. Stays at a homeless shelter or resides at a recovery facility if such shelter or facility has been approved for sex offenders by the county sheriff or municipal police chief.

[Note: These provisions are required for an individual who is dropping off or picking up a student and is the student's parent or legal guardian; is attending an academic conference or other scheduled extracurricular event; or is temporarily on school grounds, during school hours, for the purpose of delivering mail, food, or other items.]

An individual seeking written permission as outlined above must contact the District at least 10 work days prior to the first visit. In determining whether to grant written permission as provided above, the District may, in its discretion, consider the nature of the offense committed, the time since an offense has been committed, the safety of the students, the likely disruption caused by the individual's access to the property, or any other factor. The District will provide a response to the requesting individual within seven days of receipt of the request.

Sex Offender Registry Notification

The Superintendent or his or her designee shall request notification of registered sex offenders in the same or contiguous zip codes as any school within the District. The request can be made to either the Idaho State Police, the local Sheriff's Department, or the Idaho State Superintendent of Public Instruction. Such request and notification shall be made in accordance with Idaho Code. The information in the sex offender registries is for purposes of protecting the public. It is not to be used for the purpose of harassing or intimidating anyone.

Staff Notification

At a quarterly meeting, the building principal shall disseminate sex offender registry information received. The principal shall inform staff of the roles and responsibilities of staff in dealing with instances of convicted sex offenders on school property, including, but not limited to, sex offenders on school property without approval, and/or if a staff member is the school official assigned to escort the sex offender.

When sex offender registry information is disseminated by the principal, it shall include a notice that such information should not be shared with others and may only be used for the purposes discussed in this policy and in accordance with Idaho Code. Employees who share registry information with others may be disciplined.

Enforcement

Any staff member may request identification from any person on school property. Any staff member shall seek the immediate removal of any person who refuses to provide requested identification.

As circumstances warrant, the District's administrators shall take appropriate action to enforce this policy. Violations will be handled as follows:

1. Anyone observing a parent/guardian or other person violating this policy shall immediately notify the building principal or designee. The principal or designee will request that the person act civilly or otherwise refrain from the prohibited conduct. If the person persists with uncivil or prohibited behavior, the principal shall request that the person immediately leave school property and may contact law enforcement, if appropriate.
2. If a sex offender violates this policy, school officials shall immediately contact law enforcement.

Public Gifts/Donations to the Schools

The Board assumes responsibility, within its financial capabilities, for providing at public expense all items of equipment, supplies, and services that may be required in the interest of education in the school units under its jurisdiction. Gifts, donations, grants, or bequests will be accepted and the action recorded, provided the conditions of acceptance do not remove any degree of control of the School District from the Board and will not cause inequitable treatment of any student(s) or student group(s).

A gift shall be defined as money, real or personal property, and personal services provided without consideration. Gifts from organizations, community groups, and/or individuals that will benefit the District shall be encouraged by the District administration. Individuals or groups contemplating presenting a gift to a school or the District shall be encouraged to discuss, in advance, with the building principal or the Superintendent what gifts are appropriate and needed.

Community groups or individuals may donate equipment to the District. Such equipment shall be added to the District's inventory, provided it is operative at the time of donation and meets an educational purpose of the District.

The District reserves the right to accept or decline any proposed gifts. In determining whether a gift will be accepted, consideration shall be given to District policies, goals, and objectives (with particular emphasis on the goal of providing educational opportunities to all students) and adherence to the basic principles outlined in Board-approved regulations.

Propositions giving funds, equipment, or materials to the school with a "matching agreement" or restriction are generally not acceptable. Acceptance of donated equipment or materials may depend upon the compliance with the Board's policy of standardizing materials and equipment in the District which could restrict gifts given by the parent-teacher organizations to individual schools. While the intent of donations will be considered, the District reserves the right to modify the use if the needs of the students or the District change.

Any person or organization desiring to give a gift or make a donation, grant, or bequest to the Board should contact the appropriate staff member as indicated by Procedure 4500P Public Gifts/Donations to the Schools. Also, where the appropriateness of a gift is in doubt, the Superintendent will refer the matter to the Board for its acceptance or rejection. For example, single gifts of considerable value exhibiting the donor's name or business shall be considered on an individual basis by the Board.

All conditional gifts must be approved by the Board.

Any gift or grant accepted by the Board or the Superintendent as its executive officer shall become the property of the Board of Education and will comply with all State and federal laws.

Soliciting and Accepting Grants or Donations

Any staff, administrators, school-related groups, or members of the public seeking grants or donations on behalf of the school or for the benefit of the school and/or its students should first discuss such request with the building principal.

Prior to finalization of any grant or donation associated with the school and/or its students, all requests for grants or donations must be approved by the Superintendent. When the appropriateness of a request is in doubt or if the grant/donation obligates the school to engage in specific actions, obligations or involves the addition of District/school funding, the Superintendent shall refer the request to the Board for final acceptance or rejection.

Grants for projects that will affect the physical structure of a building may be referred by the Superintendent to a committee in the same manner as requests to make donations that will affect a building's physical structure, as described in Policy 4510.

4. Conformance to District governance and decision-making procedures of the Board, central office, and building-level staff;

8. Conditions that obligate the District/school to engage in specific actions or obligations;
9. Any financial impact upon the District associated with required additions of District/school funds to the grant activity; and
10. District criteria for accepting gifts.

Background Check

The District shall conduct, at District expense, a State criminal records check on all volunteers who have contact with students on a regularly scheduled and/or continuing basis, or who have supervisory responsibility for children at a school site or on school-sponsored trips. No volunteer shall be utilized to supervise students, or deemed to have the authority to supervise students, unless the volunteer has been designated to supervise students by the Principal or designee and the volunteer has undergone the required background check.

If the background check reveals evidence of convictions as identified in the list below or other concerns regarding past behavior, the candidate will not be recommended.

If the criminal background check confirms a conviction or pending charge which the candidate acknowledged on the application form, a determination shall be made, in consultation with legal counsel, whether or not to reject the application based upon a consideration of the circumstances of the conviction/pending charge and whether the circumstances substantially relate to the nature of the particular position for which the candidate has applied.
